HOW TO START A FABRICATION JOB WITH HEARTLAND

- 1) Send signed proposal along with jobsite information.
- 2) Please send deposit or P.O.
- 3) Customer selects material from one of our many stone suppliers.
- 4) With-in a couple days of a signed contract you will be contacted for a template date.
 - a) *Please make sure any sinks, faucets, cook tops, ranges, and accessories are at jobsite at time of measure.*
 - b) **Not having the above taken care of will result in delay of install date.**
- 5) Existing counter tops MUST be removed in order to template.
 - a) *Additional charges will apply if Heartland removes your old tops.*
 - b) **All plumbing, electrical, and carpentry work to be done by others.**
- 6) After template we will set up an install date. (Usually 2 weeks from template)
